

A-26A Spare Parts Kit

Shanklin® Equipment

Shanklin® is known worldwide for superior quality shrink packaging equipment.

Building on our heritage of quality and innovation, we are once again redefining our product range and introducing OEM spare parts kits for our current range of equipment.

Having the parts you need when you need them reduces downtime, allows you to centrally locate spare parts for your Shanklin® model and simplifies your operation, as only one purchase order is required.

**Current model year only. Consult with factory for late model machines.*
